

tru•vue™

AV Wall Mounts Catalogue

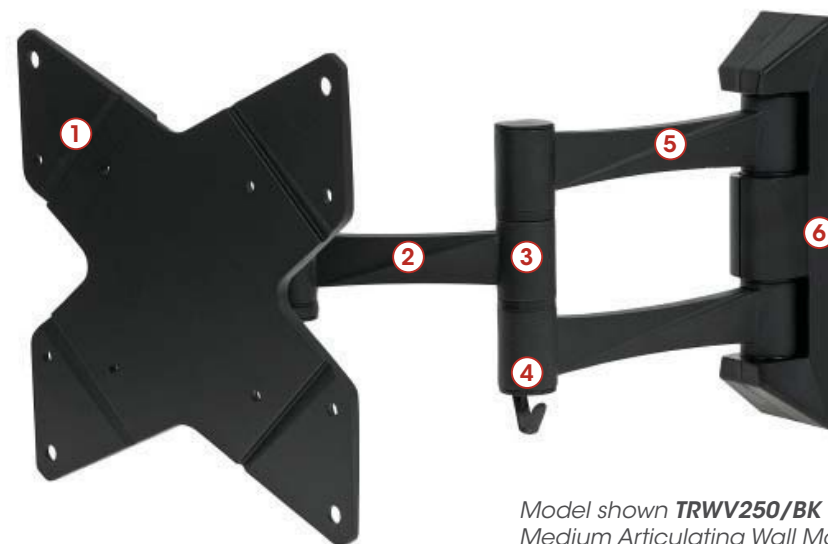

The TruVue range of flat panel wall mounts offer outstanding value for the price-conscious consumer, and with a choice of flat-to-wall, tilting, pivoting or articulating functionality TruVue mounts deliver a complete solution for any requirement.

The key to TruVue is simplicity. From making it easy to select the right mount for your screen using our clear grid to ensuring installation is quick and painless thanks to a built-in spirit level and post-installation adjustments, TruVue mounts reduce unnecessary time and effort.

**1. VESA adaptor plate** compatible with all screens with mounting patterns from VESA 75 to 200x200mm

**2. Lightweight cast aluminium arms** for durability and strength

**3. Elbow joints** designed for smooth, effortless movements

Model shown **TRWV250/BK**  
Medium Articulating Wall Mount

**4. Cable management clip** to neatly organise and route all cables and connections

**5. Smooth matte black finish** for a discreet and unobtrusive appearance

**6. Plastic wall plate cover** conceals mounting hardware for a clean look

It's so easy to choose the right wall mount! There are just two questions to ask:

1. What size screen do you have? 2. Do you want your screen flat to the wall, tilting, pivoting or articulating?

	FLAT	TILT	PIVOT	ARTICULATING
<b>SMALL</b> Screen Size 10-24" LCD VESA 100x100	<b>TRWV110/BK</b>  Max Weight: 20kg (44lbs)	<b>TRWV120/BK</b>  Max Weight: 20kg (44lbs)	<b>TRWV140/BK</b>  Max Weight: 10kg (22lbs)	<b>TRWV150/BK</b>  Max Weight: 10kg (22lbs)
<b>MEDIUM</b> Screen Size 15-37" LCD VESA 200x200	<b>TRWV210/BK</b>  Max Weight: 25kg (55lbs)	<b>TRWV220/BK</b>  Max Weight: 25kg (55lbs)	<b>TRWV240/BK</b> (Screen Size 15-32")  Max Weight: 15kg (33lbs)	<b>TRWV250/BK</b> (Screen Size 15-32")  Max Weight: 15kg (33lbs)
<b>MEDIUM-LARGE</b> Screen Size 26-46" LCD VESA 400x400	<b>TRWS211/BK</b>  Max Weight: 40kg (88lbs)	<b>TRWS221/BK</b>  Max Weight: 40kg (88lbs)	tru·vue™	<b>TRWS251/BK</b>  Max Weight: 30kg (66lbs)
<b>LARGE</b> Screen Size 32-56" VESA 700x400*	<b>TRWS310/BK</b>  Max Weight: 70kg (154lbs)	<b>TRWS320/BK</b>  Max Weight: 70kg (154lbs)	tru·vue™	<b>TRWS350/BK*</b> (Screen Size 37-56")  Max Weight: 60kg (132lbs)

\*TRWS350/BK can accommodate screens with mounting patterns up to VESA 800x400mm

## Other AV accessory products in our tru•vue™ range

Experience high quality sound and picture reproduction with TruVue 'High Speed with Ethernet' HDMI cables. TruVue cables use the highest specification materials including non-corrosive 24K gold-plated contacts for a superior connection, multiple shielding to prevent external interference and oxygen-free copper conductors which deliver uncompromising signal transfer with minimal distortion.

The modern design and simple clean lines of the TruVue furniture creates a stylish and functional support for the latest AV equipment. All piano black glass shelves are toughened to the highest safety standards and are D-shaped for corner placement, whilst a comprehensive cable tidy back panel effectively conceals all unsightly cables and connections.
